

The *Education Taxonomy Portal (ETaP)* is an online digital repository being developed for the Singapore Education community. It provides services to facilitate school teachers and students to contribute, search, navigate and retrieve education-related content effectively. Information retrieved is specific to users' local needs while enabling them to contribute and share their contents. Apart from search, a taxonomy based on the prescribed education curriculum enables browsing. ETaP is available free for everyone's use.

Join as an ETaP contributor today! E-mail [naresh@comp.nus.edu.sg](mailto:naresh@comp.nus.edu.sg) to get your username/ password. Visit <http://etap.comp.nus.edu.sg>
