

Minute Paper
General

What are one or two things you learned in class today?

What remains unclear, or what do you still have questions about?

Mid-term Feedback Form
General

What new ideas or concepts have you learned this semester?

What do you still have questions about?

What has worked well for you this semester?

What do you wish I would do differently?

Mid-term Feedback Form (version 2)

What has worked well for you this semester?

What do you wish I would do differently?

This semester we had several guest speakers. Overall, what did you think of the speakers in terms of providing information and/or helping you to understand course content?

How useful do you find in-class discussions and activities?

LIS 408
Online Module

What, if anything, did you learn from creating the online module?

What was the most challenging part of creating the online module?

List one or two “best practices” based on your experience BOTH making and reviewing online tutorials.
